About Us

DOME DZ INTERNATIONAL
GENERAL CONTRACTING LLC

Dome DZ International General Contracting LLC (Dome DZ) is part of the **Dome Group** and was established in 2010 in Abu Dhabi, UAE to provide world class Electrical & Instrumentation, Construction and Maintenance Services to Oil and Gas, Power and Industrial clients in the Middle East.

Within a short span of time **Dome DZ** has successfully implemented numerous projects in the region. Our major clients in the UAE include **Samsung Engineering, Petrofac, Emirates Global Aluminum (EGA), Dodsal, GS Eng., Daewoo E&C**. **Dome DZ** is in the approved vendor list of **ADNOC** group of companies. **Dome DZ** has also carried out a large number of E & I projects in the Republic of Yemen.

Dome DZ operates a Quality Management System (QMS) certified to **ISO 9001** by Bureau Veritas as a validation of our efforts and commitment towards continual improvement and customer satisfaction through delivery of world class services at competitive rates. **Dome DZ** also performs all its projects in strict compliance to the highest International Safety and Environmental standards.

The **Dome Group** has activities across the Middle East with a primary focus on the UAE, Iraq, Oman and Yemen. It is a leading organization providing Engineering Services, HSE Consultancy, Construction, Maintenance and Supply of Equipment and materials to Oil and Gas, Power and other industries in the region.
